Included in 2017 Wisconsin Act 59 was a provision requiring school districts to submit an annual report to the Department of Administration containing information about health insurance programs provided to district employees. Section 120.12(24)(b) of Wisconsin state statutes requires districts to include the following school district health care information in the report:

1. Health care plan design.
2. Premium contributions.
3. Self-insurance contributions.
4. Deductibles, copayments, coinsurance, and other methods by which employees contribute to health care costs.

The Secretary of the Department of Administration is required to report this information on an annual basis to the Joint Committee on Finance and both houses of the Legislature. The information reported by school districts for the 2020-21 school year is published at <https://doa.wi.gov/Pages/2020-21-School-District-Health-Care-Benefits-Report.aspx>.
